(Standard time). The basis of representation of the counties in this convention shall be one delegate for every fifty votes cast for Cleveland in 1892, and the purpose of the convention shall be the nomination of a candidate for State Senator in said district.

A Convention of the National Democrats of the Fourteenth Judicial District, composed of the counties of Bourbon, Franklin, Scott and Woodford, is also called to meet at same time and place, and with the same basis of representation, for the purpose of nominating candidates for Circuit Judge and Commonwealth's Attorney.

Mass Meeting.

THE National Democrats of Bourbon Co. are requested to meet at the Court-house on Monday, Aug. 2d, at 2 o'clock, standard time, for the purpose of selecting delegates to attend the Convention to be held at Georgetown, on Tuesday, Aug. 3d, 1897, to nominate candidates for Circuit Judge and Commonwealth's Attorney of this, the Fourteenth Judicial District of Kentucky.

A. T. FORSYTH,
County Chairman.

THE Nicholasville Democrat takes a whack at the National Democrats by angrily asserting that a voter who fused with Republicans or voted for McKinley has no right to call himself a Democrat. He is as much a Democrat as the voter who fused with the Populists.

THE first Southern colored man to secure recognition from the present Administration was Henry A. Rucker, an Atlanta barber, who was Friday appointed Collector of Internal Revenue for the Georgia district, despite the vigorous opposition of the "Lily White" element. It is said several other plums are soon to fall into the laps of Southern colored men.

Outing At Olympia.

PROBABLY the most delightful outing one can enjoy is a camping trip in the mountains with a congenial party of friends—leaving behind the noise and heat of the city, and laying aside business cares and securing a welcome respite from certain requirements of fashion. Beautiful Olympia, with its towering hills and lovely valleys, its lovely, shaded walks to bubbling springs of sparkling, healthful mineral waters, is an ideal place for such an outing, and the congenial members of the Bourbon Outing Club are indeed agreeable companions for such a pleasure. The party, which has already been named in these columns, was joined Saturday by Miss Lucy Lowry, Messrs. John Sweeney, J. M. McVey and Walter Champ, on Sunday by Mr. Talbot Clay and yesterday by Messrs. Chas. T. Kenney and Jas. Daugherty.

Besides having the merriest kind of a time, the stay at Olympia is bringing better health to several members of the party. One lady has gained seven pounds in a week and others have been much benefitted. The appointment each day of a different young lady and gentleman to the positions of housekeeper and waiter has been the means of developing the domestic qualities of the one and tended to qualify the other to the possible duties of the "new man." At any rate, 'tis a jolly arrangement, and adds variety to the experiences of camp life.

Among the other arrivals Saturday at Olympia were Messrs. Chas. Mehagen and H. A. Power, of Paris, and Mr. and Mrs. Craig Shipp, of Lexington. Misses Lizzie Manning, Turney and Willie Johnson, of are other Parisians who are at the Springs. Among other guests, not mentioned in former issues of THE NEWS, are Mrs. J. W. McGarvey, Misses Sara and Ortie McGarvey, Messrs. Geo. Weeks, Thos. Lewis and Chas. Scott, of Lexington. Mrs. W. O. Bradley and daughter, Miss Christine Bradley are distinguished guests, and the winsome ways of the Chief Executive's lovely daughter have made her a general favorite with the hotel guests and the Bourbon contingent.

The Outing Club will spend the remainder of the week in camp at Olympia and may remain over Sunday. The members are enjoying every moment of the stay in the mountains and will be loth to leave such a restful and agreeable place as Olympia.

Twenty Years....

For more than twenty years we have been telling how Scott's Emulsion overcomes the excessive waste of the system, puts on flesh, nourishes and builds up the body, making it the remedy for all wasting diseases of adults and children, but it isn't possible for us to tell the story in a mere stickful of newspaper type.

We have had prepared for us by a physician a little book, telling in easy words how and why Scott's Emulsion benefits, and a postal card request will be enough to have it sent to you free. To-day would be a good time to send for it.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it, so assists nature in the change taking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

Almost Distracted?

DO YOU EVER suffer from real nervousness? When every nerve seemed to quiver with a peculiar, creepy feeling, first in one place, and then another and all seemed finally to concentrate in a writhing jumble in the brain, and you became irritable, fretful and peevish; to be followed by an impatient, weakened condition of the nerve centers, ringing in the ears, and sleepless, miserable nights?

Dr. Miles' Nerve Restorer Health.....

Mrs. Eugene Searles, 110 Simonton St., Elkhart, Ind., says: "Nervous troubles had made me nearly insane and physicians were unable to help me. My memory was almost gone and every little thing worried me until I was almost distracted. I really feared I was becoming a maniac. I imagined all sorts of evil things and would cry over nothing. I commenced taking Dr. Miles' Restorative Nerve and four bottles of this wonderful remedy completely cured me, and I am as well now as I ever was."

Dr. Miles' Nerve is sold on guarantee, first bottle will benefit or money refunded.
